We don't have enough money this month... next month, certainly...
I am sorry Gun Xiao
Your apologetic attitude disgusts me the most!!
Don't put your love for that dead old man on me too
Clack
I don't need this trash!
It's heavy

It's your fault that I can't get in society properly
Because of you I became a neet
I didn't...
I dated a girl on a high school...
And I broke up with her because of you...
I beg of you
CAN'T YOU JUST DIE?

I AM SORRY, MOM...
I DIDN'T WANT TO DO THIS TOO...
BLAM-!

For being such a horrible mother...
I am sorry Gun Xiao...
I am a failure in any aspect...
How good it will be if I can be reborn again...

T/N Chinese names usually have 2-3 syllables, where the first one is family name.

Hm... I wish him to be a filial child...
Ming An, what do you think we should name him?
I think he resembles you more.
He resembles his father

T/N Cun Xiao means to Retain Filiality.

Oh yeah... My appearance should be at my 20s right now
Where's my mom?
Um...
I am here because your mother asked me to take care of you
How's that possible?
How could she ask you to take care of me?
We don't have enough money to get a housekeeper nor do we have any relatives
THIS KIND OF EXCUSE WON'T CONVINCE HIM
HE HATES ME SO VERY MUCH IN THAT CASE...

Yesterday Yang Shan Xin...
Commited suicide.
Wh, what kind of joke is that? You expect me to believe you?!
But, It's true...
Impossible!! Why would she...
She blamed herself...
She kept saying sorry when being saved...
She mentioned about not being a good mother and being unable to bring you happiness...
This is the moments she left...
I am sure this must be something important
And she asked me to pass it to you...

Yes, who are you?
Where are you taking me?
My son has just calmed down, I have to go back and comfort him...
Please let me go back!
What?
You think there's such thing as a free lunch in this world?
XIXI
Well there is

No need to worry
I am not like those weird beast-men
It seems like.
We are under the same circumstance
They are the same
Actually it's not only us
We are gathered here.
Due to the same reason.

Nice to meet you all.
I am the manager of this place
Manager of the Vile Demon Court
"Lilia"
What happened yesterday right?
I am sure you under stand.

Take up the responsibility for it, damn it!!
And that would mean trouble to us, you know?
The population of human is decreasing.
Because of you guys committing suicide for simplistic reasons.

We will not take any violent measure
Dont worry You have enough time to decide whether to participate or not
Snap
Theres a few tokens in your pocket
Please check it out
Rustle
You all lack one of them right?
Time
Intellect
Human
Health
Body
There are 4 kinds of tokens - [Time] [Intellect], [Health] and [Body]
They all represent what's needed to form a complete human

© 日更计划 All Rights Reserved

The token we are missing.
Is the one we are lacking in the previous life?
That's why we are given only 9 tokens?
Hehe... that's right
This game will grant you the token you are lacking
[RUSSIAN ROULETTE]
Because there are newcomers here, we will play a simple game.

© 日更計劃 All Rights Reserved

You don't know?
It's a type of suicidal game.
Russian roulette?
The participants will load a bullet in the revolver
Spin it and the game starts
The participants will take turns pulling the trigger on themselves, until one gives up or is shot
Dies.
W wait!
Then, the one who gets shot

These tokens can be exchanged into any kind of token when leaving.
There's no need to worry for getting the right token.
Ah—
We can't see how many chambers are in the revolver
We modified the cylinder with touch screen technology
But, you can't see the chambers in return
Confirm
Just input your choice and it will automatically insert the token

© 日更计划 All Rights Reserved

!?
Thank you very much
Ah
As compensation,
We will present 3 bullets for free
There are only 6 chambers in that gun
The overloaded tokens will be confiscated
Can't see? What if we overload the bullets?
Violence and Thievery are of course not allowed.
Those who are out of tokens at the end of the round will be disqualified
Those who break the rules — hehe

What you lose is lost

Just like...

Losing time

Losing body

Losing intellect

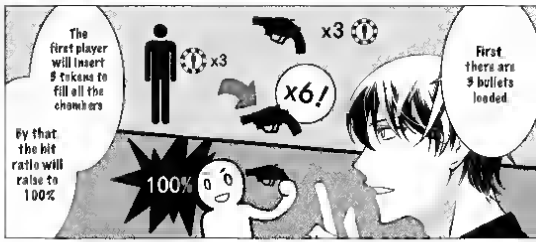
Losing health

© 日更計劃 All Rights Reserved

Are you serious?
That's like hanging between death and life...
Of course you can choose to leave before the round starts
Furthermore each additional token can be exchanged into 1M USD
But once you leave you can't join in the game again.
One million USD...

© 日更计划 All Rights Reserved

© 日更计划 All Rights Reserved



The first player will insert 5 tokens to fill all the chambers
By that the hit ratio will raise to 100%
x3
x3
x6!
100%
First there are 3 bullets loaded

© 日置计划 All Rights Reserved

Nice one, bro!!
I support your idea!
Doesn't everyone think so?
But...
We only have 3 tokens each
How do we decide who will load it first?
Since I am the one who suggested this,
I will load the 3 tokens first.
That's cool bro

CLACK
Huff haha
I thought there would be a special effect of sort, that scared me...
All right it's yours
Ah, yes...
He's fast. I should load 1 token then?
